#### **Abstrak**

Penelitian ini digunakan untuk mengetahui pengaruh Badan Usaha Milik Desa sebagai upaya meningkatkan pendapatan asli desa pada Badan Usaha Milik Desa Bumi Raharjo Kecamatan Bumi Ratu Nuban Lampung Tengah. Badan Usaha Milik Desa (BUMDES) adalah lembaga usaha desa yang dikelola oleh masyarakat dan pemerintahan desa dalam upaya memperkuat perekonomian desa dan dibentuk berdasarkan kebutuhan dan potensi desa. BUMDES merupakan pilar kegiatan ekonomi di desa yang berfungsi sebagai lembaga sosial (*social institution*) dan komersial (*comercial insitution*). Jenis penelitian yang digunakan adalah penelitian kuantitatif dengan pendekatan penelitian komparatif dengan *uji paired sample t-test* yang bertujuan untuk mengetahui pengaruh Badan Usaha Milik Desa terhadap upaya meningkatkan pendapatan asli desa sebelum dan setelah adanya BUMDES.

Setelah dilakukan penelitian menunjukkan bahwa Badan Usaha Milik Desa sebagai upaya meningkatkan pendapatan asli desa pada Badan Usaha Milik Desa Bumi Raharjo Kecamatan Bumi Ratu Nuban Lampung Tengah berperan terhadap upaya meningkatkan pendapatan asli desa. Satu pendekatan baru yang diharapkan mampu menstimulus dan menggerakkan roda perekonomian di pedesaan adalah melalui pendirian Badan Usaha Milik Desa (BUMDES) yang dikelola sepenuhnya oleh masyarakat desa. Lembaga ekonomi ini harus didasarkan pada keinginan masyarakat desa yang berangkat dari adanya potensi yang dikelola dengan tepat agar dapat meningkatkan Pendapatan Asli Desa (PADES).

## ABSTRACT

This research was used to determine the role of Village Owned Enterprises as an effort to increase village original income at Bumi Raharjo Village Owned Enterprises, Bumi Ratu Nuban District, Central Lampung. Village owned enterprises (BUMDES) are village business institutions managed by the community and village government in an effort to strengthen the village economy and are formed based on the needs and potential of the village. BUMDES is a pillar of economic activity in the village that functions as a social institution (social institution) and commercial (commercial institution). The type of research used is quantitative research with a comparative research approach with paired sample t-test which aims to determine the role of Village Owned Enterprises in efforts to increase village original income before and after the existence of BUMDES.

After conducting the research, it shows that Village Owned Enterprises as an effort to increase village original income at Bumi Raharjo Village Owned Enterprises, Bumi Ratu Nuban District, Central Lampung, play a role in efforts to increase village original income. One new approach that is expected to be able to stimulate and move the economy in rural areas is through the establishment of Village Owned Enterprises (BUMDES) which are fully managed by village communities. This economic institution must be based on the desire of the village community, which departs from the potential that is managed properly in order to increase Village Original Income (PADES).
