ABSTRACT

Nindriyani, N. 2024. *The Effect of Partner Reading Strategy on Students' Reading Comprehension of the 8 Grade Junior High School Muhammadiyah 1 Sekampung Udik*. An Undergraduate Thesis. English Education Study Program. Faculty of Teaching Training and Education. Muhammadiyah University of Metro. Advisor: (1) Drs, Bambang Eko Siagiyanto, M.Pd. (2) Refai, M.Pd.

Keywords: Partner Reading Strategy, Reading Comprehension, Eight Grade

English becomes the most important language in the world as an international language and used by the people to communicate or get information around the world. Reading is very crucial because through reading person can get the key point of the information sent or read from the printed page and people who read a lot will have knowledge and latest information to facilitate in having good speaking, writing and listening. This research aims to find out the effect and significant effect of the students reading comprehension by using partner reading strategy. This research utilized a quantitative methodology with a quasi-experimental design. The sample of this research is eight grade students of Junior High School 1 Sekampung Udik. The result of hypothesis test that the sig value was 0.000 in first hypothesis and 0.039 in second hypothesis, it indicated that partner reading strategy has an effect and significant effect on students' reading comprehension. In conclusion, partner reading strategy is an effective approach to improve reading comprehension among students. Future researchers should also investigate how these strategies apply to different subjects and educational levels to see if the benefits observed in reading comprehension are applicable elsewhere.

DEDICATION

With all praises to Allah SWT and the support and prayers of my loved ones, finally this thesis can be completed well and on time. Therefore, with pride and happiness I express my gratitude and thanks to:

1. Allah SWT, because only with His permission and grace can this thesis be made and completed on time.
2. Nurul Nindriyani, yes! Myself. The greatest appreciation for being responsible for completing what has been started. It is difficult to get to this point, thank you for still choosing to live and celebrate yourself at this point. Even though you often give up on what you are trying to do. Still be a human being who wants to try and never tires of trying.
3. Researcher's parents, Father Sugianto who until now continues to provide support. My heavenly angel, Mother Sri Pujiastuti who gave birth to me with great love and struggle. One thing that father and mother need to know, I really love and care for both of you. Please live longer in the world. Allow me to serve and repay all the sacrifices you have made so far. Thank you, father and mother, for the struggle and sacrifice you made for your little daughter.
4. Researcher's brother, Kurniawan Azam Andriyan. Thank you for being my strength to continue to survive until now and my reason to return home.
5. Putra Purnama Aji, who always accompanies and becomes the author's support system today which is not easy during the thesis writing process. Thank you for listening to my complaints, contributing a lot in writing this thesis, providing support, enthusiasm, energy, thoughts, materials and assistance and always being patient with me, thank you for being part of my journey until the compilation of this thesis.
6. The research supervisors, namely Drs. Bambang Eko Siagianto, M.Pd and Refai, M.Pd who are always patient in guiding and giving advices to the researcher, and thank you for always taking the time to guide the researcher.
7. All PBI lecturers who have provided invaluable, motivation, inspiration and advice for the researcher.
8. All friends in English Education 2020 for the valuable memories and togetherness until semester 8 as classmates.
