

## ABSTRACT

Nurhidayat, Riyan. *The Improving Of Grammar Mastery Through Other's People Views (OPV) Technique In Tenth Grades Students Of Smk PGRI 1 Transpram li Lampung Timur Academic Year 2019/2020*

Keywords : Grammar, Other's People Views (OPV)

This study was carried out to develop the students' ability of the Simple Present Tense through Other's People Views in the tenth grade of SMK PGRI 1 Transpram II academic year 2020/2021. The subjects of this study were consisted 29 students.

The method use in this study was Classroom Action Research (CAR). The classroom action research design applied in this study was a collaborative classroom action research. It meant that the writer collaborated with the English teacher of SMK PGRI 1 Transpram II as an observer and collaborator. This study was conducted following Kurt Lewin model with the following procedures of the action research: planning, acting, observing, and reflecting. The study carried out in two cycles. Each cycle consisted of two meetings. The data gathering in this study through observation, field notes, interview, and test.

The result of the study showed that there was improvement of students' ability of the Present Perfect Tense. Most of the students gradually gained good scores at the end of each cycle. The score of Minimum Mastery Criterion-Kriteria Ketuntasan Minimal (KKM) of english lesson was 65 (sixty five). The students' mean score in preliminary study was 55.00. The mean score in the first cycle was 68.79. The mean score in the second cycle was 74.13. In addition, there was a positive response from the students and the English teacher about implementing the action. In conclusion OPV can develop students' ability of the present perfect tense.
