

CHAPTER V

CONCLUSION AND SUGESSTION

A. CONCLUSION

1. Based on the findings and discussion in the previous chapter, the researcher describe the results of the research based on the findings that the researcher analyzed. The results of this research is the types of metaphor in song lyrics by Taehyung Kim, from BTS and to understand the meaning of metaphor thats used in song lyrics by Taehyung Kim. The results of the data, there are 5 solo songs that already indentified with metaphoric expression, there are singularity, scenery, winter bear, inner child and sweet night. All these song are indicated having all of mathaporical expression, the types of metaphoric stated by (Lakoff & Mark, 2003) there are structural metaphor, orientational metaphor and ontological metaphor. All the three types of metaphor has been found in the chosen lyrics by Taehyung Kim songs. Then researcher found fifty-one lyrics that use metaphoric expression as the way the singer write the songs.
2. Researcher also tried to explain the meaning by write all of 51 lyrics sentences that contained in 5 songs by Taehyung Kim. From 51 lyrics sentences that use methapor, researcher classify the lyrics into 3 types of metaphor then tried to explain meaning by analyze the lyrics. The results of the lyrics obtained from this research that there are 3 types of methapor theories according to George Lakoff and Mark Jhonson. The 51 methaporical lyrics that found in this research are in accordance with 3 theories of (Lakoff & Mark, 2003) there are structural metaphor, orientational metaphor and ontological metaphor. The researcher also managed to explain the meaning of the lyrics that contain elements of metaphor in the songs.

Based on the results, It can be concluded that methapor is one of the most important parts to write lyrics in a song. By understanding each type of metaphors can help the future researcher and future reader to be more understand about the meaning of song lyrics that the singer wants to deliver.

The use of metaphor in writing a song can also make the song lyrics more aesthetical and more attractive.

B. SUGGESTION

The researcher gives some suggestions for the other reader and the further researcher. The explanation is explained as followings:

1. For Other Reader

The other reader is expected to be inspired and be more familiar about metaphor, so that the reader could learn in detail and specific way about metaphors more deeply in the future.

2. For Further Researcher

The researcher suggests for the next researcher is to develop this research, so that this research will be more detailed and specific. The researcher considers that there are still some mistakes in this research, which is that the researcher admits that it is still unclear in describing the data obtained from the research that has been done. The researcher also hope that for the future research it can analyze with the other elements and experts that contained in songs, not just methapors.
