MOTTO

Indeed, Allah will not change the condition of a people until they change their own condition. And if Allah wills harm to a people, then no one can reject it and there is no protector for them but Him.

(Q.S. Ar-Ra'd, 13: 11)

Knowledge is the life of the heart for blindness, the rays of sight for injustice, and the strength of the body for weakness.

(Imam Al Ghazali)

It was a tough year to go through with strong enthusiasm. A long road must be traveled with a warrior mentality. Keep up the ambition, be determined. Things that cannot be obtained today may still be pursued tomorrow. Don't be wilted and wasted.

(Boy Candra)

Your dreams can still come true even with many insults, difficult obstacles, and repeated failures. What makes your dreams fail to come true is when you decide to give up.
